RULES FOR PARTICIPATION

Art.1 All direct exhibitors of Ecomondo 2017 are allowed to take part to "Technological Innovations", an initiative which is set up inside of Ecomondo itself.

Art.2 In order to be admitted to the initiative above, it is mandatory to adhere to this agreement fully and unconditionally, hereby signing form "X1".

In order to validate the agreement, the two following documents have to be sent to Team ECOMONDO c/o Italian Exhibition Group Spa, Via Emilia 155- 47900 Rimini:

- 1) Form X1, regularly stamped and signed
 - 2) Certification of regular patent registration of the product you wish to present, signed by the exhibiting company
- It is at the discretion of Italian Exhibition Group SpA whether or not to accept applications with incomplete documentation or applications that will arrive after 11 October 2017.

Art.3 It is mandatory for the innovations that will be presented to satisfy the following criteria :

- 1) Innovations have to comply with current legislation on ownership, brands and patents, author's rights, etc.
- 2) Innovations that were presented to a previous edition of Ecomondo cannot be presented.
- 3) Inventions have to be in line with the product sector of Ecomondo.

Art.4 It is at the discretion of Rimini Fiera whether or not to accept applications; in the event of a rejection, the applicant will be notified.

Art.5 Innovations will be advertised through the following steps:

- advertising with a customized floor graphic adjacent to the stand;
- advertising on Ecomondo website through a section entirely dedicated to "Technological Innovations".

It will also be possible for you to provide the press office of Italian Exhibition Group SpA with leaflets/material on your innovation.

Art.6 Italian Exhibition Group SpA will not be held responsible in the event of any normative violations in the matter of ownership, exclusive rights, industrial property, brands and patents, industrial inventions, industrial models, distinctive characteristics, author's rights, image rights. The company that is applying to participate to the initiative will face any consequences resulting from the afore-mentioned violations.

Art.7 Any controversies which may arise about the validity, interpretation or implementation of this agreement will be subject to the exclusive jurisdiction of the Tribunal of Rimini, both parts excluding hereby the jurisdiction of a different Tribunal.

Art.8 Italian Exhibition Group SpA, office of Rimini, via Emilia 155 - Tax code and VAT I.D. 00139440408 – Business Register of Rimini: 00139440408 – which is the data processor, may also manage personal data provided by applicants through automated systems in order to fulfill the purposes relevant to the subscription to the initiative "Technological Innovations" and, with the prior consent of the applicant, to share information about initiatives and offers of our company.

It is mandatory that you provide your data to guarantee the execution of the services mentioned above: the lack of such data will prevent the execution of the afore-mentioned services. Data will be available to the head of staff along with the personnel of the following offices: commercial offices, technical offices, administrative offices and press office. Furthermore, data may be shared with and/or transferred to companies which are controlled by or connected to Italian Exhibition Group SpA in its business activity, along with other data processing societies.
